

**On March 17, many people around the globe celebrated St. Patrick. He was a human trafficking victim in the 5th century, who became a missionary to the people and land (Ireland), where he was once held as a slave.**

**The Coronavirus is causing a lot of problems for individuals, communities, and nations, but also for businesses.**

**So, let us pray today especially for BAMers and BAM businesses, using a well-known prayer by St. Patrick, which I have customized to a BAM related prayer.**

**Please feel free to use it for yourself and your business, and if you're not in business, pray for others who are:**

**Christ with me, as I do business for Him and people.**

**Christ before me, as I plan my business.**

**Christ behind me, as I review my business.**

**Christ in me; my guiding light in business.**

**Christ beneath me; He is the foundation.**

**Christ above me, He is the owner of my business.**

**Christ on my right, Christ on my left, He is the Lord of the marketplace.**

**Christ when I lie down, and rest from my work.**

**Christ when I sit down, in my office chair.**

**Christ when I arise, enthusiastic or weary.**

**Christ in the heart of every man who thinks of me, and my business.**

**Christ in the mouth of everyone who speaks of me, and my business.**

**Christ in every eye that sees me, my staff, customers, suppliers, and competitors.**

**Christ in every ear that hears me speak about my products and services.**

**Amen!**
